Sir:

Applicant submits herewith a list, including copies as necessary, of patents, publications or other information of which they are aware, as listed on PTO/SB/08A and/or PTO/SB/08B, that may be material to the examination of this Application, and in respect of which, there may be a duty to disclose.

The filing of this Information Disclosure Statement shall not be construed as a representation that a search has been made (37 C.F.R. 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability, or that no other material information exists.

The filing of this Information Disclosure Statement shall not be construed as an admission against interest in any manner.

This Information Disclosure Statement is being filed before the first substantive Office Action in this case.

Respectfully submitted,
